

Selected* ATV Organizations and Resources

October 2001

American Academy of Pediatrics

Publications Department

P. O. Box 927

Elk Grove, IL 60009-0927

☎ 800-433-9016 or 847-228-5005

Fax 847-228-5097

www.aap.org

email: kidsdocs@aap.org

The American Academy of Pediatrics (AAP) is dedicated to the health, safety, and well-being of infants, children, adolescents, and young adults. The AAP offers information, guidelines, and publications on injury prevention. An ATV policy statement and ATV model legislation can be downloaded from their website.

Consumer Product Safety Commission

National Injury Information Clearinghouse

Room 625, 5401 Westbard Avenue

Washington, DC 20207

☎ 800-638-2772

www.cpsc.gov/

email: clearinghouse@cpsc.gov

The Consumer Product Safety Commission (CPSC) is an independent regulatory agency of the federal government. The CPSC is involved in a variety of hazard assessment and reduction programs to prevent injuries. The CPSC, through the National Injury Information Clearinghouse, can offer special studies and data summaries of injuries associated with ATVs. ATV-related injury data include injuries treated in hospital emergency departments, state death certificates, and investigation summaries.

National 4-H Council

4-H Community ATV Safety Program

7100 Connecticut Avenue

Chevy Chase, MD 20815-4999

☎ 301-961-2913

Fax 301-961-2894

www.atv-youth.org

email: strausba@fourhcouncil.edu

The 4-H Community ATV Safety Program addresses the behavior of young people that contribute to increased risk of ATV-related injuries. The program offers training workshops, technical assistance and resource materials to support local youth ATV safety programs.

National Children's Center for Rural and Agricultural Health and Safety (NCCRAHS)

National Farm Medicine Center

1000 North Oak Avenue

Marshfield, WI 54449-5790

☎ 888-924-7233

Fax 715-389-4996

<http://research.marshfieldclinic.org/children/>

email: nccrahs@mfldclin.edu

NCCRAHS a site of the Children's Safety Network offers technical assistance on childhood rural and agricultural health and safety, including ATV safety. The Center produces a parent guideline for assessing whether a youth is ready to do farmwork with an ATV.

National Off-Highway Vehicle Conservation Council, Inc. (NOHVCC)

1020 Superior Ave.

Sheboygan, WI 53081-6749

☎ 800-348-OHVS (6487)

Fax 920-458-3446

www.nohvcc.org/

email: kryherd@nohvcc.org

The NOHVCC provides a forum for off-highway enthusiasts, organizations, and supporters to promote safety and a positive image of off-highway recreational sports. The Council offers a variety of services and products including trail design consulting and a guide to developing youth off-highway vehicle (OHV) programs

The CSN National Children's Center for Rural and Agricultural Health and Safety (a program of National Farm Medicine Center, Marshfield, Wisconsin) is funded by the federal Maternal and Child Health Bureau (HRSA Contract No. 240-98-0005) and the National Institute for Occupational Safety and Health (NIOSH Award No. Uo5/CCU514436).

The Ohio State University
Department of Agricultural Engineering
Extension Safety and Health
590 Woody Hayes Drive
Columbus, OH 43210-1057
☎ 614-292-6519
Fax 614-292-9448
www.ag.ohio-state.edu/~agsafety/

The Ohio State University offers resources for the safe use of ATVs in agriculture. Resources include a volunteer guide and a videotape entitled "ATV Safety on the Farm." The videotape offers a concise overview of ATV safety basics for both farm operators and employees.

Specialty Vehicle Institute of America (SVIA)
ATV Safety Institute
2 Jennifer Street, Suite 150
Irvine, CA 92618-3806
☎ 949-727-3727 or 800-887-2887
Fax 714-727-4216
www.atvsafety.org
<http://home.att.net/~atvsafety>

The ATV Safety Institute (ASI) is a non-profit division of the SVIA. The ASI represents manufacturers and distributors of ATVs. The primary goal of the ASI is to promote the safe and responsible use of ATVs. ASI offers ATV instructor certification, videos, and publications, including a comprehensive 2001 guide entitled "Parents, Youngsters, and All-Terrain Vehicles."

Your state off-highway vehicle specialist

Your state off-highway vehicle safety specialist may have videos, curricula, and other materials available for your use.

* The National Children's Center for Rural and Agricultural Health and Safety does not endorse specific resources, but offers these as examples. Please note that state regulations vary considerably and materials offered may not be consistent with safety recommendations in this packet.
