

Selected* ATV Organizations and Resources

July 1999

American Academy of Pediatrics

Publications Department
P. O. Box 927
Elk Grove, IL 60009-0927
☎ 800-433-9016 or 847-228-5005
Fax 847-228-5097

www.aap.org/kidsdocs@aap.org
email: kidsdocs@aap.org

The American Academy of Pediatrics (AAP) is dedicated to the health, safety, and well-being of infants, children, adolescents, and young adults. The AAP offers information, guidelines, and publications on injury prevention. An ATV policy statement (www.aap.org/policy/0512.html) and ATV model legislation (www.aap.org/policy/m951.html) can be downloaded from the Internet.

Consumer Product Safety Commission

National Injury Information Clearinghouse
Room 625, 5401 Westbard Avenue
Washington, DC 20207
☎ 800-638-2772

www.cpsc.gov/
email: clearinghouse@cpsc.gov

The Consumer Product Safety Commission (CPSC) is an independent regulatory agency of the federal government. The CPSC is involved in a variety of hazard assessment and reduction programs to prevent injuries. The CPSC, through the National Injury Information Clearinghouse, can offer special studies and data summaries of injuries associated with ATVs. ATV-related injury data include injuries treated in hospital emergency departments, state death certificates, and investigation summaries.

National 4-H Council

4-H Community ATV Safety Program
7100 Connecticut Avenue
Chevy Chase, MD 20815-4999

☎ 301-961-2913
Fax 301-961-2894

www.fourhcouncil.edu/
email: strasba@fourhcouncil.edu

The 4-H Community ATV Safety Program is a collaborative effort of public agencies, community organizations, and private businesses. The program addresses the behavior of young people that contribute to increased risk of ATV-related injuries. A newsletter and curriculum on ATV youth safety is available.

National Children's Center for Rural and Agricultural Health and Safety

Marshfield Clinic
1000 North Oak Avenue
Marshfield, WI 54449-5790

☎ 888-924-7233
Fax 715-389-4996

<http://research.marshfieldclinic.org/children/>
email: nccrahs@mfldclin.edu

The National Children's Center offers information and technical assistance on childhood rural and agricultural health and safety as a site of the Children's Safety Network. The Center is a Health Resources and Services Administration (HRSA) and Maternal and Child Health Bureau (MCHB) funded project.

National Off-Highway Vehicle Conservation Council, Inc. (NOHVCC)

1020 Superior Ave.
Sheboygan, WI 53081-6749
☎ 800-348-OHVS (6487)

Fax 920-458-3446
www.nohvcc.org/

email: trailhead@nohvcc.org

The NOHVCC provides a forum for off-highway enthusiasts, organizations, and supporters to share information and experiences. Activities include developing partnerships, addressing environmental concerns, and investing in youth through education. Information, educational materials, and publications are available.

The CSN National Children's Center for Rural and Agricultural Health and Safety (a program of Marshfield Clinic, Marshfield, Wisconsin) is funded by the federal Maternal and Child Health Bureau (HRSA Contract No. 240-93-0005) and the National Institute for Occupational Safety and Health (NIOSH Award No. U05/CCU514436).

The Ohio State University
 Department of Agricultural Engineering
 Extension Safety and Health
 590 Woody Hayes Drive
 Columbus, OH 43210-1057
 ☎ 614-292-6519
 Fax 614-292-9448
www.ag.ohio-state.edu/~agsafety/

The Ohio State University (OSU) offers resources for the safe use of ATVs in agriculture. Resources include a volunteer guide and a videotape entitled "ATV Safety on the Farm." The videotape offers a concise overview of ATV safety basics for both farm operators and employees.

Outdoor Empire Publishing Company, Inc.
 511 Eastlake Avenue East
 Seattle, WA 98109
 ☎ 800-645-5489
 Fax 206-340-9816

Outdoor Empire Publishing publishes numerous ATV safety educational products, including state-specific student safety training manuals. A catalog is available.

Specialty Vehicle Institute of America
 ATV Safety Institute
 2 Jennifer Street, Suite 150
 Irvine, CA 92718
 ☎ 714-727-3727 or 800-887-2887
 Fax 714-727-4216

The ATV Safety Institute (ASI) is a non-profit division of the Specialty Vehicle Institute of America (SVIA). The ASI represents manufacturers and distributors of ATVs. The primary goal of the ASI is to promote the safe and responsible use of ATVs by the rider. ASI offers ATV instructor certification, referral to trainings, publications, and videos.

Wisconsin Department of Natural Resources
Bureau of Law Enforcement
 P. O. Box 7921
 Madison, WI 53707-7921
 ☎ 608-266-3244
 Fax 608-266-3696
www.dnr.state.wi.us/

The Wisconsin Department of Natural Resources offers a videotape titled "Off-Road Adventure." The video features youth **talking** about topics such as trail etiquette, proper ATV handling, protective equipment, and vehicle maintenance. Copies of this non-copyrighted safety video are available.

Your state off-road vehicle specialist

Your state off-road vehicle safety-training specialist and local interests may have videos, curricula, and other materials available for your use.

* The National Children's Center for Rural and Agricultural Health and Safety does not endorse specific resources, but offers these as examples. Please note that state regulations vary considerably and materials offered may not be consistent with safety recommendations in this packet.
